

South Elementary School Sign Up Links for Parent Teacher Conferences

On Thursday, December 8th, between the hours of 12:30 pm to 7 pm, the Somerset Public Schools will be having our annual Parent/Teacher Conferences. This year we are using a new platform to schedule these meetings called Calendly. This system will block out your appointment on your teacher's calendar. Our classroom teachers, special education teachers, specialists (Art, Music, Technology, Health, PE), Interventionists, Support Staff (Nurse, School Psychologists, Special Education Facilitator), and Related Service Staff (School Adjustment Counselors, Occupational Therapists, Speech and Language Pathologists) are looking forward to meeting you in person. It is a great opportunity to speak with your child's teacher about your student's progress and visit their classroom. We are still offering a Google Meet option on that day if parents are unable to make the in-person meeting.

Meetings are available to be scheduled now, and **sign ups will close at 12pm on December 7th**, to give our staff time to prepare for the meetings that have been requested. Please click on the link below that aligns with your child's teacher or support staff to schedule your conference.
